

Week 6 assignment

Objective:

Build a complete website using HTML and CSS.

You are provided a figma design which contains all assets needed, convert the screen with html and css.

Link to figma file:

<https://www.figma.com/design/egiftmwmkYiaQ09nX2EAaI/U.S-Visa?node-id=0-1&t=cnlqyNtkhgU3LSFT-1>

Submission:

Submit via: <https://forms.gle/MHXoTnghVmEvthcn8>

Zip your html, css and assets and submit the zipped file

Please note that unlike our previous submissions, auto-grading is not possible for this assignment.

Only one submission is allowed, ensure you crosscheck your file before submitting.
